Help Support Ashley and her Family!

About Ashley Ames Fund

Ashley, 23, lives in Urbana, Illinois and worked as a server at Timpone's Restaurant. She has been working toward the goals of paying back old student loans and going back to school. In the early morning of May 28, 2010, the house where she lived with her roommates caught fire. Everyone else got out safely, but Ashley had to be airlifted to Springfield's Memorial Hospital, where they have a specialized burns unit. Ashley has and 3rd degree burns on 80% of her body and 2nd degree burns on half of her face. She had her first surgery on Sunday, May 30, where they removed 60% of the burned skin and she received the first grafts. Her vitals are good and she is responsive, so we are growing increasingly optimistic. She does not have health insurance, and Ashley will need multiple surgeries and skin grafts for years to come, which is why this fund is so important. According to my limited research on burn victims, in order for Ashley to receive proper care, the injuries that she sustained in the fire will have an estimated cost of at least \$700,000+ in medical bills. All donations will go to take care of Ashley's current and future medical bills for injuries caused by the fire. Ashley is one of the sweetest and most genuine persons I know, and everyone who knows her would agree. We so earnestly want to help her in any way we can, so spread the word to anyone who can afford to help, every dollar counts!

How can I donate?

1. Visit the online donation site @ <http://ashleyamesfund.wordpress.com> OR
2. Mail check payable to Ashley Ames Fund, P.O. Box 661, Urbana IL, 61803 OR
3. Drop off check/cash deposit for Ashley Ames Fund @ Centru Bank, 1001 S. Neil St. Champaign, IL 61820

Thank you all so much for your love and generosity! Ashley's mom, sister, and grandma are so grateful! For more information about charity events visit <http://www.supportashleyames.com/> or email ashleydonationfund@gmail.com
